

Signing of LoU between Social Protection Resource Centre & Health Services Academy

Event Date: Tuesday, April 26, 2022

Social Protection Resource Centre (SPRC) and Health Services Academy (HSA) on Tuesday signed a Letter of Understanding (LoU) for the development of evidence-based research material in the areas of mutual interest. Honorable Dr. Shahzad Ali Khan (Vice Chancellor HSA) and Dr. Razia Safdar (Executive Director SPRC) signed the letter. The LoU signing ceremony was held at VC office HSA Islamabad.

The LoU aimed to define the areas for research, academia and training sessions or workshops for capacity building on the specific matter. Focus will be on working together to advance the collaborative framework between SPRC & HSA to benefit from each other's initiatives and plan of action. Furthermore LoU looks to support collaboration among the researchers associated with both the organizations.

In addition to that HSA will involve SPRC in research projects or any other assessment & workshops and SPRC will provide technical support on the matter in this regard. It was mutually agreed that LoU shall be effective for five years from the date of signature. It can be extended and modified through mutual written agreement by both the organizations.

After the LoU signing ceremony, Dr. Razia Safdar (ED SPRC) presented the published copy of “SPRC Annual Old Age Report 2021” to Dr. Shahzad Ali Khan (VC HSA).
